CENTRAL TRAIN WRECKS NEAR ACID PLANT

None of the Passengers Were Hurt. Mail and Express Cars Off Track. Will Take Some Time to Clear the Track.

The eleven-fifteen Central passenger train was wrecked this morning about one mile east of the acid plant, and the baggage and mail car is off the track. None of the passengers were hurt. They all got off and came on to town. Two wreckers, which were at work at 8:15 a.m., clearing up the freight wreck of yesterday were put to work cleaning up this one, but it is thought that it will take several hours to get a train through. About a hundred feet of the track is torn up, and the tracks from the tender and baggage car are torn loose.

The engineer said the rear tender trucks jumped the track at a rough place, which threw the other car off. The two passenger cars and the engine were not derailed.

REVIVAL TO CLOSE

The revival services that have been conducted the past week at the Headland Avenue Baptist Church by Rev. W. I. Culbertson of Shelman, Ga., will probably close with tonight's service. Another large audience turned out to hear Mr. Culbertson last night. At the close of the service six or seven went forward and presented themselves for membership. At the close of tonight's service the ordinances of Baptism will be administered to all the candidates who are ready.

Mr. Hepburn strongly favored the adoption of a central reserve bank plan.

MRS. RUTH STRATTON BURIED—FUNERAL FROM SISTER'S HOME

The funeral of Mrs. Ruth Stratton whose sad death occurred in a runaway accident near Fitzgerald, Miss., her home, Monday, was held at the home of her sister, Mrs. Ethel Williams this afternoon at 3 o'clock. Rev. H. T. Johnson, the girlhood pastor of the deceased, conducted the ceremony at the house from where the remains were taken to the city cemetery for interment. At the grave a short ceremony was conducted by Rev. E. H. Jennings.

The following item from the Memphis Commercial Appeal gives the first explanation of the manner in which Mrs. Ruth Stratton was killed two days ago. Relatives here only heard that she was killed in a runaway:

"Parchman, Miss. Sept. 8.—Mrs. Ruth Stratton, aged 28, residing on a plantation one mile south of Parchman, while returning home from Parchman about 11 o'clock Monday morning upon a public road paralleling the Y. & M. V. Railroad tracks, was overtaken by southbound freight train No. 591, when the mule became frightened and ran away, throwing her out, fracturing her skull and breaking her neck. The train was brought to a stop as soon as the engineer saw that the mule was frightened and in the hands of a lone woman. She was picked up and rushed to Drew for medical attention, but expired before reaching that point. Deceased was married to Lucien M. Stratton about two years ago, residing here since that time. She was popular in social circles and her sudden demise has been a serious shock to her many friends and neighbors. She is survived by her husband, Lucien M. Stratton, of Parchman, Miss., and her mother, Mrs. J. R. Crawford of Dothan, Ala. The remains were forwarded to Dothan tonight for interment.

FRANK WHITE, JR., TO SUCCEED LONG

This is the Tip Concerning Predecessor of the State Tax Commission.

Birmingham, Ala., Sept. 10.—It is the tip in state political circles that Frank S. White, Jr., will be appointed by Governor O'Neal as president of the state tax commission to succeed J. Lee Long, who has tendered his resignation as head of the state tax board to enter the real estate business in Birmingham.

Mr. White, who is a junior member of the firm of Frank S. White and Sons, has been practicing law in Birmingham since his graduation from the University of Alabama. During the term of Governor Comer, Mr. White served as tax commissioner of Jefferson county. Early in Governor O'Neal's administration Mr. White was appointed by the governor to represent the state in the tax cases in this county.

A conference was held at Montgomery Monday by the governor, Mr. White, Mr. Long, and Col. Jesse F. Stallings. It is supposed that the tax commissionership was discussed at this meeting.

It is reported that neither Judge Evans nor Captain Powell, the associate members of the state tax commission, are applicants for the presidency of the board.

ALLGOOD GETS ACTIVE

He is Certain of Election as State Auditor.

Miles C. Allgood, of Onconia, who is in Birmingham attending the merchants' convention, has resigned his position as farm demonstrator of Blount county and will at once inaugurate an active campaign for the office of state auditor. At the last election Mr. Allgood was a candidate for state auditor and came within a few hundred votes of being successful in his race. This time Mr. Allgood feels confident of his election.

"During the past few weeks I have visited several sections of the state and have heard from my friends in every county in Alabama," said Mr. Allgood, "and they assure me that my election is certain in the coming campaign."—Birmingham Ledger.

Mr. Allgood has the people of Blount county solidly behind him in this fight and they expect to see him win. He is a worthy, young man, well qualified and fully competent to fill the office he seeks. For nine years he served his county as tax assessor and made a record of which any man should be proud. He was never known to betray a trust. Blount has never been a state official and would not ask it this time if he did not have a candidate to present who is worthy of any position within the gift of the people. The people of Alabama will make no mistake in electing Mr. Allgood to this position.—Southern Democrat.

Hon. Henry B. Stegall for Congress

Since the appointment of Congressman Clayton to succeed the lamented Senator Johnston, it has been known that in the very near future, there would be a vacancy in this district, for the place filled so ably by Congressman Clayton. It is certain that Mr. Clayton will very soon take his seat as Senator, and resign his position as Congressman. The Governor will then order a special election for the short term which expires next year.

The Star takes especial pride in announcing the fact, to the voters of the Third Congressional District, that Dale county will present for their consideration to fill this vacancy, Hon. Henry B. Stegall, of Ozark, who will have in his race, the loyal and enthusiastic support of all our citizens. They are behind him, as one man, and will exert every effort to win for him this very

He was a delegate to the last National Convention, and a strong supporter of the principles and policies upon which President Wilson was nominated and elected. Since his early manhood he has been an ardent pro-grover, and is in thorough accord with the policies of the present administration. Mr. Stegall is the able Solicitor of this Judicial Circuit which district, and the indications are now, that he will be overwhelmingly elected and time will definitely for the past several years, condense the wisdom of his selection, and it can be said of him that

MORE THAN AVERAGE BUSINESS THIS FALL. THINKS LOCAL BANKERS

Utters Note of Warning Against Extravagance.

"Dothan will probably have more than an average business this fall, their merchants are constantly increasing the character of merchandise carried in stock and are thereby increasing the territory reached by Dothan. Dothan merchants are carrying lines of goods that smaller nearby places cannot afford to carry, hence a large part of Dothan sales are to customers living in nearby towns who come to Dothan for what they cannot get at home.

"Crops are fairly good throughout this section and the prices of cotton and cotton seed is good, and there should be more money in the south than ever before. This would especially be so if our people would stop buying so many automobiles and so much seed stuff.

"The farmers trading at Dothan owe less than a year ago and more of them are out of debt. When a man gets out of debt he can afford to trade more than while in debt.

"There is every reason to believe that collections will be good. As a rule the farmers especially have not bought so much the present season as usual and they will probably buy more than last year.

"The main reason that trade will be good in Dothan is that her business people are going out after business and making it. Dothan is situated for a business center and with the energy and enterprise that her business men display, her volume of business will certainly grow larger. Dothan's prospects were never better than today. Her men make herself able to supply what other nearby places cannot supply."

Mutual Relations And Interests of the Bell System and the Public

The suit brought by the United States questioning the purchase of certain telephone equipments in the northwest, as well as the pending Interstate Commerce commission telephone investigation have caused many inquiries. Without taking up anything going to the merits of these proceedings it has seemed to us proper to state generally what has been our policy and purpose in the conduct of our business.

We have found, on the other hand, that we had that our interests were best served when the public interests were best served and we believe that such necessity we have had to serve in our business has been a factor in the success.

We believe that if a firm's commercial value can only be sustained by one system and that common control and that it cannot be given by independent systems unless they are opened under agreements which result

in one common control and on
common interest in oil of ma
in a common system

We believe that this should be so adjusted as to afford the company sufficient margin to pay the wages of the operators. It will seem that the customers are to maintain the very high interest charges on the interest in the capital of the company.

BICYCLE SEASON AGAIN

This is the time to figure on getting that boy or that girl a bicycle. They will need it going to and from school, and they need it at other times.

A bicycle is a good investment, when it is bought right, and our 15 years experience is behind every machine we put out. The price is low enough to warrant the purchase now.

QUININE AND IRON—THE MOST
EFFECTUAL GENERAL TONIC

Grove's Tasteless chill Tonic Combines both
in Tasteless form. The Quinine drives
out Malaria and the Iron builds up
the System. For Adults and
Children.

You know what you are taking when
you take GROVE'S TASTELESS chill
TONIC, recognized for 30 years through-
out the South as the standard Malaria,
Chill and Fever Remedy and General
strengthening Tonic. It is as strong as
the strongest bitter tonic, but you don't
taste the bitter because the more it
is not dissolved in the mouth but it
is dissolved in the acts of the stomach.

it. 50c.

AT THE PALACE
THEATRE YESTERDAY

Quo Vadis (Whither Goest
Thou) was witnessed and enjoyed
last evening at the Palace
Theatre by several large au-
diences of the people of Dothan.
The scene of the story was
laid in Rome, during the reign
of Nero, portraying the corrup-
tion to which the court of Rome
had gone and the persecution of
the Christians by the Pagan Ro-
mans.

Throughout the picture, ap-
propriate music was rendered by
the orchestra adding to the
splendid feature picture. It
is a statement of the public for up-
lifting and educational picture
is shown by the appreciation
with which these pictures have
been received.

SEPARATE COATS AND
WRAPS

**Rough Surfaced Fabrics in Dark
Rich Coloring Meeting
With Favor**

The newest of the materials
and the cut of the garments have
combined to impart to coats an
entirely different appearance
from those of last season. As a
result buyers are looking for-
ward to a big demand for sep-
arate outer garments.

The Vogue for rough surfaced
fabrics is very marked and the
various colours, shadings, loop
and materials, chinchillas and
chevrons are by far the best sel-
lers of the season. Plain fabrics
have also received considerable
attention in the dresser gar-
ments. Plain and novelty velvet
and plush are also well thought
of.

**Don't Wait for the
Wood to Show
Before You Paint!**

Postponing painting is like putting off
payment of taxes. You are only piling up
expense. The wise man paints often, so
that there is always a protecting film of
paint between his house and the elements.
The more durable the paint, the less often
this must be done.

The most durable paint in the world is
Collier White Lead
(Dutch Boy Painter, Trade Mark)

and Pure Linseed Oil

when mixed to suit the conditions of the
wood. All good painters do it this way.
Make sure that yours does it, too, and then
use Dutch Boy white lead and linseed oil.

GOD'S ANSWER.
Once in a time of trouble and of
care
I dreamed I talked with God
about my pain;
With sleepless courage, daunt-
ing to complain
Of what I deemed ungracious
and unfair,
"Lord I have groveled on my
knees in prayer
Hope after hope," I cried, "I
all in vain,
No hand leads up to heights I
would attain
No path is shown me out of my
despair."
Then answered God: "Thou
I gave to thee—
Clear brain, brave will and
strength of mind and heart
And implements divine to
shape the way
Why shift the burden of the toil
on Me?
Till to the utmost he has done his
part
With all his might, let no man
dare to pray."
— Ella Wheeler Wilcox
A BREATH OF GOD
Who feels the touch of thy hand
should know
That across a golden cloud
breath of Good
Has come that in this infant's
eyes the glow
Of Heaven is ever resident and
God
Is in the music of this Here Be-
low
I'd rather have the trust of a lit-
tle child
Than find a consumer of the
 Eternal years
I'd rather see her lips when the
dew is smelt
Than stand a conqueror over the
in my eyes
And know the adulation born
to me
